

SECOND INFANTRY BEATS PRIDE OF CALIFORNIA, 8-4

VISITORS CLOSE HONOLULU ENGAGEMENT WITH MAJORITY OF GAMES PLAYED WON BY THEM. SOLDIERS TOO MUCH FOR COLLEGIANS.

(From Wednesday Advertiser.)

Soldier teams have proven altogether too much for the University of California players, who were defeated yesterday afternoon at Athletic Park by the Second Infantry team of Fort Shafter in a game which was interesting from start to finish. The Berkeley students closed their Honolulu engagement with yesterday's game, and will leave for the mainland today by the steamer Matsonia. They played eleven games in Honolulu, winning from the Hawaiians, Asahi, St. Louis, Punaluu, Portage and Al-Ocho, and lost to the Coast Defense, Twenty-first Infantry, Second Infantry and twice to the Chinese Athletic Union.

The Army teams certainly did themselves proud in their three games with the visitors, this being just the opposite to what happened when the Kiwis were here, as the latter only won their games from the Army teams and lost to the civilian nines of Honolulu.

About twelve hundred fans, mostly officers and men of the Army, attended the game yesterday. What the audience lacked in numbers the soldiers made up in volume when it came to noise, for the rooting was quite as anything ever seen here. Lang Akana and William Desha umpired, the former getting along well, indeed, until the latter end of the game, when his judging of strikes and balls gave extra for some complaint. Desha worried along with his base decision without trouble and acquitted himself really creditably.

Lyman's Trained Pets.

Lieut. Charles B. Lyman's trained pets were much to the good yesterday, and even before the game began were figured as likely winners of the game. Suwalski lived things up in the first inning with a hit over the high left field fence, the ball hitting the two-story Chinese clubhouse. This tallied two runs, Lyman having previously gotten his first on a neat hit over second. When the soldiers came to bat in the first half of the ninth, "Mighty" Sloan, the service twirler, after two men were out, caught the first offering on the point of the bat and sent it out of the lot, over the leftfield fence, for a home run. Zawadzki, next up, fanned and the side retired with the score standing 2 to 4 and the Second Infantry on the long end of it.

There was much spectacular fielding in the three gardens by the farmers of both teams, and several nifty infield plays were also pulled off. Both shortstops were, however, considerably off color yesterday, Forbes sinning often and Burton running a close second to him.

Home Run at Start.

The game opened with the Second Infantry at bat, the visitors taking out, Lyman drove a clean hit over second, and Suwalski pulled off his over-the-fence stunt, scoring two runs. Dossett struck out, and Sterquel closed the inning with a foul fly which hit the bleachers. In the close of the initial inning California scored two runs and tied the score. Adair hit to third, who made a nice pick-up, but threw wild over first and into the bleachers, Adair going to second on the bounce and scoring on Hayes' pretty hit between first and second.

"Patty" Forbes swiped the air three times in vain and took the bench. O'Hara found Hayes' groove and put it through there, scoring Hayes. Rubke flew out to center and Sebastian walked, both men advancing a bag on a passed ball, but Gerkin called the number by the strike-out route.

The home team gathered another run on their second time at bat. Sloan was safe at first on second's error; Zawadzki fanned; Bettick hit safely to leftfield; Lewis was out on a ground out to first, unassisted; but Lyman hit safely to left, scoring Sloan, Bettick being out, however, at the plate. The Californians in their half of the second struck out, in one-two-three order. Neither side scored in the third inning, but the Second Infantry got two more runs across in the opening of the fourth. Thus it happened.

Swatfast Continued.

Centerfield made a pretty catch of Sterquel's long fly. Sloan hit the leftfield fence and Zawadzki following with one much like it. Bettick drove one straight at the pitcher, but it was too warm and got away, all three men being safe. Lewis hit to second who forced Sloan out at the plate, but Lyman hit back of second who dropped the sphere after a hard try and Zawadzki and Bettick scored. Suwalski was out, short to first and the side retired. California drew a blank in their half.

Lowry, owner of the club, will accompany the team and he will take his family with him.

The players who will make the trip are: Kane, Carlisle, Bayles, Beeton, Leardi, McAvie, Hoop, Litchi, Pillott, Hagan, White, Powell, Hitt and Henry. The team will take an umpire, McCarthy, along.

NEW YORK, July 2.—(Associated Press by Federal Wireless.)—All the scheduled games in the American League were yesterday postponed on account of rain.

In the National League there was no game between Brooklyn and New York owing to a storm. A big crowd of fans were much disappointed when the deluge put an end to any hopes of the game being played.

Chicago, playing on the home diamond, blanked Cincinnati to the tune of 7 to 0. The Chicago team won all the way and started the game by scoring three runs in the first inning. The other four runs were scored one by one in the third, fifth, sixth and eighth inning.

Playing on the home diamond also, the St. Louis nine defeated Pittsburgh by 5 to 1. It was an uninteresting game, that resulted in an easy victory for St. Louis.

Philadelphia took both morning and afternoon games from Boston by scores of 7 to 2 and 5 to 0.

CHICAGO, July 1.—(Associated Press by Federal Wireless.)—Yesterday's game in the American and National League resulted as follows:

Californians Leave for Home Smothered With Leis and Taking Everyone's Aloha.

(From Thursday Advertiser.)

Taking with them the aloha of all Honolulu, and covered with leis, the University of California baseball players left for San Francisco on the steamer Matsonia yesterday morning. The scene at Pier 15 was an animated one when the time came for the steamer to cast off her lines. The Hawaiian band was present and appropriate airs were played. The departing athletes got a grand send-off from Honolulu.

James Schaeffer, manager of the team, just before the boat left, said that he and his men had enjoyed their sojourn in Honolulu more than any experience they ever had in their lives.

Captain Dodson, of the Varsity team, declared that nothing would please him better than to pay another visit to the Paradise of the Pacific. He added that his team would do its best to beat Stanford next season for the championship and thus be entitled to another trip to the Islands.

As the steamer moved out the college yell was given and answered from shore by the cheers of the big crowd that had assembled to bid the Californians aloha nui pui.

Excursionists Leave for Maui Races Tomorrow Afternoon—Big Doings at Kahului.

"Maui no ka oi" will be the yell tomorrow afternoon when the Claudine pulls out for Kahului for the July Fourth horse races. The Honolulu bunch will not be as large as usual this year but the old guard of sportsmen who make the annual trip to the Valley Isle will be on the steamer, suit case in hand, and eager for the good old vacation. The trip will be only a short one this year as the Fourth falls on a Saturday. The excursionists can leave the city tomorrow afternoon and be back in Honolulu early on Sunday morning. This will be a trip of the rush order but the boys do not mind that much.

Lester Petrie, Gorrit Hughes and a number of the followers of racing who always make the Maui trip, will leave on the Claudine. The Maui races would not seem the same if the bunch failed to be present. The Maui people look to having a big crowd of Mainians at the races, and they have made preparations to entertain all the Honolulu people who take in the excursion.

A number of horsemen are already on Maui and they are attending to the training of the horses that have been for some time working on the Spreckels Park track.

Good Horses to Compete.

The horses that are to take part in the races on Saturday are reported to be in good condition and some good racing should result. Angus McFee has a couple of likely looking youngsters who are expected to run well. The track is said to be in good condition, and the approaches to the grounds are better now than some months ago. The Maui Racing Association is putting up good prize money, considering the times, and the hope of the members is that a good profit may be made in order to wipe out the deficit of the past two years.

"Hanswaki" Kruger, who has not missed a Maui Fourth of July for many years, declares that he will not go up this year. He may change his mind before the steamer leaves tomorrow, and be seen on board with the small cannon that he always fires as a salute to Maui as the excursion steamer enters Kahului harbor.

Besides the horse races there are to be baseball games, basketball contests and several dances at Puuene and Waiolu. The Honolulu visitors are sure to have a good time, as everyone does who ever visits the Valley Island.

NO LESE MAJESTE IN NOT CHEERING

German Socialists of Reichstag Will Not Be Prosecuted for Neglect to Hoch der Kaiser.

(Associated Press Mail Special.)

BERLIN, June 23.—It is several weeks since the Reichstag was closed, but the action of the Socialists in remaining seated while the usual cheers for the Emperor were given is still the subject of press comment. There is ordinarily little sympathy lost between the non-Socialist organs of the left and those of the right, but they have shown great unanimity in attacking the Socialists' demonstration as a breach of good manners.

The North German Gazette, undoubtedly speaking for the government, declares that the next Reichstag must take measures to prevent repetition of such public insults to the Emperor.

In the Prussian Diet, the Conservatives interpellated on the matter, desiring to know whether the prosecuting attorney's office had been asked to proceed against the Socialists for lese majeste, or whether it intended to take such action. Replying, the minister of justice, while he severely criticized the action of the Socialists, declared that he did not doubt whether it would be possible to get convictions, since it would probably be held that the giving of the customary cheers for the Emperor constituted a part of the Reichstag proceedings. The imperial constitution provides that deputies may not be brought to account for their actions or utterances in the Reichstag. An acquittal, said the minister, would place the Socialists in the light of voters, and a conviction would make them appear martyrs. In either case the result could not benefit the state, and it had been therefore decided to take no notice of it.

A Former Refusal.

In 1904 the elder Liebknecht refused to rise when cheers were proposed for the Emperor in the Reichstag. The authorities prepared a complaint against him and asked the Reichstag to consent to his prosecution. Consent was refused and the case had to be dropped. There appears to be considerable doubt, in any event, whether a mere refusal or neglect to stand up when the Emperor is being cheered is sufficient to constitute the crime of lese majeste.

Indications of a sharpening of the campaign against the Socialists are observable in many places throughout the Empire. The police authorities are particularly active against the so-called "workmen's gymnastic societies." They proceed by declaring them political associations out of hand, and acting under this declaration, they forbid minors from attending them. The Socialists maintain that these associations are non-political and devoted entirely to gymnastic work, but the police have been able to bring evidence enough to satisfy the courts, in all cases thus far carried to the courts, that the associations are a part of the party propaganda for winning recruits among the young.

MACKAYE LEADS "Y" CHESS TOURNAMENT

	P	W	L	Pct.
MacKaye	6	4½	1½	.750
Hafford	8	5½	2½	.687
Newcomb	3	2	1	.667
Derby	2	2	1	.500
Campbell	5	2	3	.430
Spencer	4	1	3	.250
Ellsworth	4	1	3	.250
Hiorth	2	0	2	.000

Five games were played in the Y. M. C. A. chess tournament last evening. Hafford won two games from Lieut. Spencer and thereby goes into second place close behind MacKaye who is in the lead.

Newcomb took two games from Ellsworth but dropped into third place when he lost to Campbell. A few of the players have been forced to retire from the tourney on account of inability to play out the schedule.

At a meeting of the Chess Club last night, it was decided to complete the present tournament in July. Secretary Larimer was instructed to draw up a schedule and any man who is unable to play on a scheduled night must arrange to meet his opponent within a week or forfeit both games. The full schedule for the remainder of the tournament will be issued in a day or two.

OAHU IS MADE A COLONIAL GARRISON

(Continued from Page Seven.)

The Coast Artillery Corps. These men will now be compelled to remain here for the full term of their enlistment. The Twenty-fifth Infantry is especially hard hit by the order as there is at the present time no colored infantry on the mainland and the colored troops in that arm of the service can now only serve in Hawaii or the Philippines as the only colored troops in Continental United States are two regiments of cavalry and if a colored infantryman wishes to go to the mainland he would not have a regiment to go to.

Under the orders, too, it will be extremely difficult for any officer to secure a transfer to the mainland and then only under the most urgent circumstances.

The Summer School will open at the Normal School on Monday morning. Many teachers, principally from the outside islands, are arriving to attend the sessions.

Secretary Garrison Gives Class No Hope of Early Action—Filipino No. 77.

(Associated Press Mail Special.)

WEST POINT, New York, June 12.—One hundred and seven cadets were graduated from the Military Academy today. This is the largest class since 1908. The exercises took place on Trophy Point, near the Battle Monument, and among those present was the secretary of war, who addressed the class.

Secretary Garrison's speech was one of the briefest ever delivered to a graduating class at the Military Academy, and in the course of his remarks he made no reference to the pending Mexican troubles except to say how much the army had accomplished in its house-cleaning at Vera Cruz. No hope was held out to the outgoing graduates that they might see any active service in the near future.

William H. Holcomb of Indiana was the honor man of the class. He beat James B. Cross of Washington, D. C., by six units, a close margin. L. L. Lampert of Wisconsin was the class goat, as the last man is termed.

One of the features of the graduating exercises was the presence of a delegation of Filipinos, headed by Manuel Quezon, a Philippine delegate in congress. The party was here to witness the graduation of Cadet Vicente P. Lim, a full-blooded Filipino who is the first to enter the academy from that country and graduate. Cadet Lim stood No. 77 in his class today. He will be commissioned in the Scouts of the islands.

The diploma was presented to each man by Colonel Townsley, the superintendent of the Academy. The first ten men in the class will be commissioned in the engineer corps of the army. The others will go into the cavalry, artillery and infantry branches. The class left here at noon for New York. The men have a three months' furlough and will report to their respective commands on September 15.
